Hosting Events is often a major challenge requiring pre planning, costing and a host of other demands. Firstbaze aims to make this challenge easier to manage by providing our customers all the tools they need from planning to actual hosting of the event.

Our event package offers you the following:

- Booking
- Online Registration / telephone registration
- Online Payments (standard payments via bank transfer as well)
- Attendees / attendees List
- Accommodation, local tours
- ID badges/Sourvenirs/
- Communication and updates
- Feedback attendee experience
