Brings you headline summaries of events local and regional to our target communities.

[Firstbaze News and Media](#) aims to deliver streamlined factual and coherent news summaries to its users with a primary focus on positive content that are altruistic, empowering and educational.

Firstbaze seeks to promote policies and ethos espoused by individuals or groups, businesses and leaderships in a non-partisan manner. Firstbaze would actively seek to not share, propagate or encourage fallacious views, corrupt practices or ideologies that are aimed at undermining individuals, people groups or communities.

Information comprises the following areas of interest:

- 
- Firstbaze weekly news editorial – *The Editorial*
- 
- News and current affairs: local, regional, national and Global.

Focus comprises content that serves to promote our goals. We embody the conscience of the people and therefore promote content that are positive, empowering and altruistic.

Content to be culled from local, national and global sources as well as freelance writers and Firstbaze team.

- 
- News areas: education, science, technology, health, agriculture, sports and recreation.
- 
- Arts and media: Showcasing local artists, media events, concerts etc. The art and media section aims to identify new artists, seasoned artists, interview them and encourage mentoring and developing local art and media industry.

Make us your first news stand for on the hour [news updates!](#)
